Carriers for your digital advertising...
SAFE + DURABLE + POPULAR

Due to different shapes and materials, our USB sticks are suitable for a variety of upgrading such as tampo- and screen-print, embossing, doming and laser engraving.

In addition, the USB-sticks can be used as storage for digital advertising messages: product catalogues as pdf-files, company presentations in Power-Point format, video-clips etc.

* All USB flash drives:
Capacity 512 MB - 16 GB
Drive free (except Windows 98 and below) • 10 years data retention • More than 1,000,000 times data encryption
